About Me

Hello! I am dharshini, a passionate web developer with a love for creating interactive and user-friendly websites. I enjoy learning new technologies and building projects that solve problems.

My Skills

- HTML, CSS, JavaScript
- Responsive Web Design
- Python & Java Basics
- UI/UX Design

Projects

Portfolio Website

A personal portfolio website to showcase my skills and projects.

To-Do App

A simple to-do list application built with HTML, CSS, and JavaScript.

Blog Page

A clean and modern blog page design with responsive layout.
